Introduction

This directory lists all the public libraries in the Kingdom of Saudi Arabia. The compiler feels that there is a need for such a tool for readers and researchers alike.

It is important to mention that King Saud University Libraries issued a (Directory of Libraries in Saudi Arabia) in 1979 which was divided into four parts, viz. University Libraries, Public Libraries, Special Libraries and School Libraries. As the Dean of King Saud University Libraries at that time, Dr. A.M. Al - Dhubaib, indicated in the preface. (This work is considered an experimental issue and will be followed by a correct and more precise one). Unfortunately no further editions appeared. This Directory is a new documentary work and contains detailed information about 86 public libraries within the Kingdom.

Libraries in this directory are arranged alphabetically under the name of the city in which they are located. At the end there is an index.

وقد وضع الباحث في آخر الدليل فهرساً هجائياً مرتباً بأسماء المدن ،
وتحت كل مدينة اسم / أسماء ، المكتبة / المكتبات التي تقع بها وفقاً لأرقام
الصفحات في الدليل .

ويعد هذا الدليل أول دليل شامل للمكتبات العامة في المملكة العربية
السعودية ، ويعتقد الباحث أنه سيسد فراغاً كبيراً ، إذ يكاد يكون الأداة
الوحيدة التي يمكن اللجوء إليها للحصول على معلومات أساسية ومهمة عن
المكتبات العامة في المملكة .

إن الباحث من خلال ما قدمه من جهد ، وهو ولاشك جهد مقل ، رغم ما بذل
في إعدادهِ من جهد ، ليرجو أن يكون قد قدم شيئاً فيه بعض الفائدة
للمستفيدين من متخصصين وباحثين وطلاب علم .
