Introduction

The Saudi Arabian Cultural Mission in the United States of America is pleased to present *Directory of the Doctoral Dissertations of the Saudi Graduates from US Universities (1964-2005)*. The purpose of publishing this directory is to provide readers, students, and researchers with the titles and related information concerning these doctoral dissertations in order to facilitate research in areas recommended by the authors. The directory also gives the opportunity to decision makers in public and private sectors to employ doctoral graduates in various fields of knowledge and to benefit from their expertise. By documenting these achievements the directory reflects the Saudi Arabian Cultural Mission's respect and admiration for the authors. It also reflects the great efforts of the kingdom of Saudi Arabia in granting its young men and women scholarships to pursue their educational goals in order to participate in the Kingdom's development.

In spite of its genuine efforts devoted to publishing the directory, the Saudi Arabian Cultural Mission regrets that the directory does not include dissertations that have not been deposited in its library. Apology is also extended to authors of doctoral dissertations included in the directory for any unintentional mistakes, and requests that the authors provide the Cultural Mission with correct information.

I would like to extend my thanks to my colleagues at the Saudi Arabian Cultural Mission for their tireless efforts. They have made this directory available to provide a reliable source of information to students and researchers in Saudi Arabia and elsewhere.

Dr. Mazyed Ibrahim Almazyed

المقدمة

إنطلاقاً من إعتراز الملحقية الثقافية السعودية في الولايات المتحدة الأمريكية بالإنجازات التي حققها المبتعثون والمبتعثات السعوديون عبر خمسة عقود من الزمن في الجامعات الأمريكية في مجال الأبحاث التي توجت بفضل الله بالحصول على شهادات الدكتوراه في كافة فروع المعرفة ، فإنه يسر الملحقية الثقافية ان تقدم دليل (رسائل الدكتوراه للمبتعثين والمبتعثات السعوديين الخريجين من الجامعات الأمريكية ١٩٦٤ - ٢٠٠٥ م) ، يهدف هذا الدليل الى إطلاع القاريء الكريم على هذه الإنجازات وبالأخص إطلاع طلاب العلم والباحثين من سعوديين وغيرهم في كافة الجامعات ومعاهد الأبحاث داخل المملكة العربية السعودية وخارجها على عناوين هذه الرسائل وما توفر من معلومات عنها في هذا الدليل ليتمكنوا من الوصول من مصادرها ، وكذلك لمواصلة الأبحاث في المجالات التي أوصى بها مؤلفوها . كما يهدف الدليل الى تعريف الجهات الوظيفية في القطاعين العام والخاص بأسماء الباحثين والباحثات ليتمكن الاستفادة من تخصصاتهم في نهضة بلادنا وتقدمها . كما يعتبر هذا الدليل رمزاً للتقدير الذي تكنه الملحقية الثقافية بأمريكا لمؤلفي هذه الرسائل وإعترازها بهم جميعاً عن طريق الرصد والتوثيق لها ، وكذلك لإبراز الجهود الجبارة التي تقوم بها المملكة العربية السعودية في خطط وبرامج الإبتعاث للخارج لضمان إستمرار وتقدم نهضتها التعليمية .

ورغم الجهود المخلصة التي بذلت لإخراج هذا الدليل إلا أن الملحقية الثقافية تعتذر لعدم شموله على كافة رسائل الدكتوراه وإقتصاره على تلك الرسائل التي أودعت نسخ منها في مكتبة الملحقية الثقافية . كما ان الملحقية تستمخ العذر من كل هؤلاء ممن وردت بعض الأخطاء في اسمائهم أو عناوين رسائلهم أو أية معلومات أخرى ، وترجو منهم أن يشعروا الملحقية بالمعلومات الصحيحة حتى يمكن التعديل بموجبها في الطبعة اللاحقة في أقرب فرصة ممكنة .

وفي الختام أتقدم بالشكر لكافة الزملاء والزميلات في الملحقية الثقافية السعودية في الولايات المتحدة الأمريكية الذين لم يدخروا جهداً في إخراج هذا العمل التربوي القيم الى حيز الوجود ، سائلاً " الله تعالى أن يعود به بالنفع على طلاب العلم والباحثين في بلادنا العزيزة وعلى المعرفة الإنسانية والعالم أجمع .
